

Gramedia Academy – UMN Program

Continuing Education Department (CED) Universitas Multimedia Nusantara (UMN) provides beneficial and professional programs in order to create qualified human resources. Today, CED UMN collaborates with Gramedia Academy, training provider which used its materials from published books and its writers as tutors under Gramedia Publisher. Skill and knowledge were being transformed into training material design – is creating not only practical training programs but also can be adjusted due to the needs of the participants and to be further discussed.

Training available by Gramedia Academy – UMN Program are:

1. Talk Show : two-hours talk show program about special books.
2. Seminar : participants will receive proporsional knowledge within 2-4 hours and there will be no special curriculum.
3. Workshop : participants will more directly practicing the theory (hands on) in 2-4 hours.
4. Class : participants will receive comprehensive knowledge in 1-2 days since there will be special curriculum arranged.
5. Course : participants will receive comprehensive knowledge in 1-3 months.

We will update regularly in our website regarding the program we will offer in the future. Should you have further queries or special request for training topics, please contact us through email ced@umn.ac.id / +62 21 5422 0808 ext. 2201 / +62 857 8033 2975 (SMS and WA).
